DECISION

On January 27, 2014, we issued our order granting part of Petitioner's motion for summary decision. We concluded that Respondent's license is subject to discipline on some, but not all, charges in the complaint. On January 28, 2014, Petitioner filed correspondence stating it does not intend to pursue the remaining charge in the complaint. Therefore, that charge is dismissed.

We incorporate by reference our January 27, 2014, order into this final decision and will certify our record to Petitioner in thirty days.

SO ORDERED on January 29, 2014.
